PROFESSIONAL SUMMARY

Final-year college student and entry-level Java Developer with hands-on experience in building web applications using Java, Spring Framework, and MySQL. Adept at problem-solving and critical thinking, with strong communication skills and a collaborative mindset. Eager to learn and adapt in a dynamic environment, applying both academic knowledge and practical experience to contribute to team success.

EDUCATION

Bachelor of Information Management (BIM)

- Tribhuvan University KIST College & SS, Kamalpokhari, Kathmandu, Nepal (2020-Present)
 - **Relevant Coursework:** Data Structure, Software Engineering, Database Management, java Script ,PHP,java etc.
-

Projects

Hotel Management And Reservation System | Full Stack

- **Technologies:** Spring Boot, Maven, Lombok, Bootstrap, HTML, CSS, Spring MVC, Spring Data JPA

- Developed key features such as user authentication, room booking, employee management and reservation. .
- Implemented an admin dashboard for efficient management of hotel services and guest information.
- **GitHub:** <https://github.com/PallapRajJoshi/HMRS>

Employee Management System | Full Stack

- **Technologies:** Spring Boot, Maven, Lombok, Bootstrap, HTML, CSS, Spring MVC, Spring Data JPA
- Created a web application to manage employee data, including user authentication and department management.
- **GitHub:** <https://github.com/PallapRajJoshi/EMS>

React News Feed | Frontend

- **Technologies:** React, JavaScript, HTML, CSS, APIs
- Developed a React-based web application that fetches and displays news articles based on user-selected categories (e.g., Science, Sports, etc.).
- **GitHub:** <https://github.com/PallapRajJoshi/newsApp>

Note Management App | Full Stack

- **Technologies:** MongoDB, Express.js, React, Node.js
- Developed a notebook application using the MERN stack that allows users to manage their notes. Users can add, delete, and edit notes specific to their accounts.
- **GitHub:** <https://github.com/PallapRajJoshi/inotebook>

Technical Skills

- **Programming Languages:** Java, JavaScript
- **Frameworks:** Spring Boot, Maven, Lombok, Bootstrap, React
- **Tools:** Git, Spring Tool Suite, Visual Studio Code, IntelliJ IDEA
- **Databases:** MySQL
- **Operating Systems:** Windows

Professional Training

Java Package Training, Broadway Infosys (Dec 2023 – Mar 2024)

- Completed 135 hours of intensive Java training, covering core Java, object-oriented programming, Spring Boot, and advanced topics.

- Certificate No: B19003

React (Self-paced, 2024 - Present)

- Completed a self-paced course covering React basics, components, state, and props.

Continuous Learning: Actively engaged in self-paced learning and online courses to stay updated with the latest technologies and best practices in software development.

Office Handling Package, KANTIPUR TECHNICAL INSTITUTE (13/03/2018 – 20/06/2018)

Soft Skills

- **Problem-solving:** Ability to analyze problems and develop solutions effectively.
 - **Teamwork:** Collaborated with team members to achieve common goals during project development.
 - **Strong Communication Skills:** Clearly conveyed ideas and contributed to team discussions.
 - **Adaptability:** Quickly learned and applied new technologies in various projects.
 - **Time Management:** Efficiently managed time and prioritized tasks across multiple projects.
-

Hobbies

- Traveling
- Coding
- Photography
- Learning New Technologies
