Subject: Backend Developer Intern

Dear Hiring Manager,

I am thrilled to submit my application for the Backend Java Developer at Darsetech. As a final-year Bachelor of Information Management (BIM) student, My hands-on experience in Backend development, combined with my eagerness to learn, makes me a strong candidate for this role.

I have a solid foundation in Java Basic, JSP, Servlets, Spring Boot, MySQL, Tomcat, AWS, etc. My proficiency in React, Bootstrap, HTML, CSS, Javascript further highlights my adaptability and ability to contribute to both frontend and backend projects.

I am confident that my technical abilities, combined with a commitment to learning and adaptability, would enable me to contribute meaningfully to your team. Thank you for considering my application. I would be honored to discuss how my background and skills align with the objectives of Darsetech.

Looking forward to the opportunity to connect.

Best Regards
Pallap Raj Joshi
